8am - 5pm**

WHERE

***2121 S. El Camino Real, Building D
San Mateo, CA 94403***

CLASS TAUGHT BY : KEVIN SCOTT

The purpose of this course is to familiarize fire officials, building officials, plans examiners, fire inspectors, design professionals, and others with the many important changes in the 2025 California Fire Code (CFC). This seminar provides an overview of critical concepts included in the Significant Changes to the California Fire Code 2025 Edition. The participants will learn the correct use of the code's requirements in the design, plan review, inspection, and analysis of projects. They will apply the code in clear-cut situations and build their understanding of the intent of the code when asked to make compliance decisions
